SWISS-BELHOTEL BALIKPAPAN

# YOUNG RESEARCHER TRAINING

UNIMAS will be organizing Young Researcher Training with the title Community-Based Participatory Research (CBPR) as activity under the BSN Research Cluster: Borneo Sustainable Community Transformation.

Title: Empowering Young Researchers through Community-Based Participatory Research (CBPR)

In the intensive 2-day online training, participants will be exposed to vital skills in CBPR to drive positive social change, including understanding community, designing CBPR project, ethical considerations and knowledge management and sharing.

Date: 16-18 November 2023

Time: 9.00 am - 4.00 pm  
(Kuala Lumpur time)

Platform: Zoom

# Postgraduate Student Attachment

PhD student, Sinil Lee, who is currently pursuing his study at Akademi Pengajian Brunei (APB), UBD will be attached at Institute of Borneo Studies [IBS], UNIMAS.

The aim of this work is to collect data for his PhD research titled 'Perceptions, prospects, and challenges towards closer regional cooperation in Borneo, and the benefits and implications for Brunei' through interview or observations, or texts.

# WAY FORWARD

## BORNEO HUB FOR LOCALISING SDG

To spearhead in collaboration with BSN members the implementation of initiatives towards achieving Sustainable Development Goals (SDG):
