16-18 November, 2023  
08:30 am - 04:00 pm  
(UTC+08:00 Kuala Lumpur, Singapore)

## MODULES

1. Introduction to CBPR

2. Engaging with Communities

3. Designing CBPR Projects

4. Ethical Considerations and Knowledge Sharing

5. CBPR Project Proposal Pitching

## WORKSHOP SUMMARY

If you're passionate about translating ideas into actions for the betterment of your community, this workshop is your gateway to meaningful impact. In the intensive 3-day online training, participants will be exposed to vital skills in CBPR to drive positive social change, including understanding community, designing CBPR project, ethical considerations and knowledge management and sharing. Attendees will also learn to pitch their CBPR project concepts to key stakeholders. This workshop is organized by Universiti Malaysia Sarawak (UNIMAS) as a part of Borneo Studies Network (BSN) activities in 2023. The workshop is also a satellite event of 10th eBorneo Knowledge Fair 2023 (eBKF10 '23).

LAST DATE TO REGISTER: 9 NOVEMBER 2023
